Discussion		Results / Follow Up
Administrative: Any Changes to the Agenda?		No changes
New Business: <ol style="list-style-type: none"> 1. Comprehensive assessment of our facilities and what our future needs may be (Strategic Plan) – Implications for the anticipated engineering study via bond funding. 2. Ad hoc community group – Wasgatt Field 3. Transportation to day treatment placements 		<ol style="list-style-type: none"> 1. How to proceed? Will the findings of any study be acted on? Suggest the Facilities review the existing old studies. Each member took one of the studies home to read and report back on at the next meeting. The Committee also looked at suggested 5 year maintenance plan model that had been developed by Steve Sylvester when he worked for another District. 2. Noted that the Football Boosters and “Grid Iron Gang” have done a tremendous job sprucing up Wasgatt Field and have started a long term fund raising project to eventually build an all-weather track. 3. Todd Johnston has brought the transportation for the students going to Merrymeeting, Sweeter and Seton in-house at a significant savings in cost.
Old Business: <ul style="list-style-type: none"> ▪ Update on the school start-up – transportation – how did we do this year? 		The year has started much smoother than last year. Finding enough drivers remains a problem and we’re all looking at various possible solutions.
Other: <ul style="list-style-type: none"> ▪ Plan for facilities recommendations resulting from NEASC Report 		Awaiting the report. This will only be looking at Oceanside High School east & west.
