**PERCENT OF STUDENTS MEETING AND EXCEEDING STANDARDS
2011-2012**

* Please Note: *The writing assessment demand in grades 9-11 requires the formulation of a thesis driven essay, representing advanced expectations for the technical and compositional aspects of persuasive writing. Consequently, aggregate scores are expected to be lower – especially for fall testing. 2011-2012 constitutes the second testing experience for grades 10 & 11. Students meeting or exceeding at grades 9-11 are the % meeting identified 11th grade standards.*
